# About the CBLIP

- Established in 2017
- one of more than 80 LIPs across Canada
- funded by Immigration, Refugees and Citizenship Canada
- a collaborative, community initiative
- more than 60 organizational and volunteer members across all groups

## **Vision**

The vision of the CBLIP is that all newcomers feel welcome, safe, supported and at home in Unama'ki-Cape Breton

## **Mission**

Our mission is to identify needs and opportunities for newcomer settlement in Unama'ki-Cape Breton and to support community partners in fostering inclusive and welcoming communities.

# In short

We bring together local partners to find ways to collaborate and help make it easier for newcomers to settle in.

“I am grateful to be a part of the CBLIP as it is not just a space for collaboration and co learning but an opportunity for newcomers to contribute to the community and collaborate with long term residents by providing newcomer lens/first voice perspective to guide the local immigration in Cape Breton.”

“Having a convening space focused on immigration in Cape Breton helps us to foster a more welcoming community, but it has fringe benefits for members in connecting on other issues. Personally, I’ve been able to better support clients by having direct contact with other stakeholders in the community.”
